

Corporate Social Responsibility (CSR) Policy

HORIZON PACKS PVT. LTD.

PHILOSOPHY

Corporate Social Responsibility (CSR) is about how Companies directs the business processes to produce an overall positive impact on the society. It is the continuing commitment by a business to behave ethically and contribute to the economic development while improving the quality of life of people at large. We, at Horizon Packs, believe in integrating the social, environmental and economic concerns of the society in the culture, values and corporate goals of the Company. In its endeavor to give the best to the society, Horizon Packs seeks to carry out such activities that create long-term positive effects on the people and society at large. Corporate Social Responsibility is about capacity building for sustainable livelihoods. It is about how the organization's existence affects stakeholders beyond its own insular interests and recognizing the impact of its operations on the community. CSR determines how we can use this impact in a positive way, leading to sustainable growth and financial gains.

CSR VISION

The Company's CSR vision is 'Do Good to Do Well and Do Well to Do Good'. Horizon Packs Private Limited is to be a responsible industry leader and demonstrate environmental, transparent and ethical behavioral practices which will contribute to the economic and sustainable development within the company, industry, and society at large.

CSR has effectively evolved from being engaged in passive philanthropy to corporate community investments, which takes the form of a social partnership initiative creating value for stakeholders. The Company's CSR activities build an important bridge between business operations and social commitment evolving into an integral part of business functions, goals and strategy.
